

Jan. 26 9-10

1) Meeting with Martin Stevas, Larry Ray, Cathy Seguin. We discussed drafting response to letter by Anaesthetists and Hospital. a heavy information to reviewed by lawyers.

- I will speak to with Pheringold and Laxe to ~~determine~~ and Gallant to inform family response is being drafted & to determine if family wants to meet, whom would attend, and response to letter

@ 12:20

2) I spoke to Lec Ann Gallant who would like to be involved. Ron Laxe is "willing" to be involved in any meeting

3) Spoke to Glen Smith you recommended talking to parents with out lawyers. Meeting includes fellow, Liz, Seguin + nurse, no, Laxe, Paediatrician. Participants should draft response to letter, review with lawyer, and then prep session. Glen will talk with coroner.

@ 11:00

March 1/99 Seguin, Ray, Hawkins, Stevas

Morty

March 1/99 @ 1400 Seguin, Ray, Stevas, Pheringold • dispute V.S. testimony

- no ~~APRS~~ sat / no sedation scale i.e. order not activated.
- apnea monitor: not ~~on~~ on or malfunctioned
- no BP when HR = 130 bpm
- apnea monitor turned off

No chance of death → paediatric review @ inquest

- should have segregated colometric monitor

Hedges - leads not on
